## Week of Prayer for North American Missions

March 1-8 is the Week of Prayer for North American Missions. This week and next week we will focus on praying for the missionaries and ministries featured during the week.

### Wildel St. Jean and Mariolie Sanon

Wildel St. Jean and his wife, Mariolie Sanon, are planting Premiere Eglise Baptiste Primitive in North Miami, Florida.

Pray God will bless them with His wisdom and humility. Pray that He will bless this ministry. Pray He will open the hearts of the people in their community and that they will trust in Jesus as their Lord and Savior.

### Thay Gay and Greelia Htoo

Thay Gay and Greelia Htoo are planting Aspire Karen Church Westside in Jacksonville, Florida.

Pray that their family will serve the Lord with strength from God. Pray that families and future generations will come to Christ and continue to cooperate with parents. Also, pray for the leaders and members of Aspire Church.

### Claudio Miguel and Loyda Molina

Claudio Miguel and Loyda Molina are planting Iglesia Bautista Nuevo Pacto in Hialeah, Florida.

They are a newly planted church. Most of their 17 members are elderly. They hope to baptize at least 10 people this year, especially young people. Some have visited services but do not continue, so pray that God will send them a youth leader who will inspire young people to stay. Pray that God will send them some young families with children. Pray for wisdom to continue carrying forward the work of the Lord, and that their spirits will not grow weary. Pray for the spiritual and numerical growth of their congregation.
